

# PRODUCT RELEASE ANNOUNCEMENT

KENNEDY TECHNOLOGY GROUP

RELEASE DATE: 10/24/03 - Part # 65161R0

## Product(s):

- ◇ SingleSet, Part # 95198, MSRP - see below
- ◇ DualSet2, Part # 95199, MSRP - see below

Replaces and makes obsolete: RadarSets, DualSets, and GPsets (except "AUX" configuration) with part numbers <95198.

Description of Model(s): Functionally and dimensionally identical to the replaced models, but with the ability to mix and match 1) Power; 2) Intercom and 3) Device Harnesses to meet customer requirements.

## Power Harnesses - MSRP \$10.00 each

Part #	Type	Description
95200	1500	8 ft. cable, ring lug termination
95201	1800-US	3 terminal, Hitachi type connectors
95202	1800-Euro	5 ft cable with ring lug terminals

## Intercom Harnesses - MSRP \$20.00 each

Part #	Type
95204	1500
95203	1800/Valkyrie
95205	FPD (Five Pin Din)

## Device Harnesses - MSRP \$30.00 each

Part #	Device	Description	Available
95206	IQue	Audio only	now
95207	Garmin SPIII	Audio & power	now
95208	Passport	Audio & power	now
95209	Valentine	Audio & Power	now
95210	Cobra	Audio & power	12/03
95211	Garmin 2610	Audio & power	1/04

Each device harness is fused for its particular device.

SingleSet MSRP: \$19.95 (\$79.95 with a power, intercom, and one device harness)

DualSet2 MSRP: \$39.95 (\$129.95 with a power, and intercom and two device harnesses)

Please note: A SingleSet for an IQue does not require a Power Harness - subtract \$10.00
