Thank you for purchasing our product. We hope it gives you many years of reliable and pleasurable service.

This retrofit must be used in conjunction with a Kennedy Switch Assembly and a Kennedy Auxiliary Audio Harness (purchased and packaged separately).

Before reinstalling your radio, install the Kennedy Switch and Auxiliary audio harnesses. Perform the instructions packaged with those assemblies.

Connect the Kennedy Switch Assembly to J1.

Connect the Kennedy Aux Audio Harness to J2.

In order to hear the Honda radio, the Kennedy Switch assembly must be in the closed position.
